5. FIRE-FIGHTING MEASURES

Suitable Extinguishers: Alcohol-resistant foam. Water spray. Use carbon dioxide or dry powder for small fires only.

Unsuitable Extinguishers: Do not direct a solid stream of water or foam into hot burning pools; as this may cause frothing and increase the intensity of a fire.

Hazardous Combustion Products: Strong heating may produce combustible vapours which can form explosive mixture in air.

Special Equipment for Fire Fighting: Self-contained breathing apparatus
6. ACCIDENTAL RELEASE MEASURES

Safety Precautions  
Wear appropriate PPE when handling - see section 8

Environmental Precautions  
Prevent entry into drains and water courses

Clean up Procedure  
Bund or absorb material with sand, earth or other suitable absorbent material. If possible, transfer to a salvage tank, otherwise absorb residues and place in suitable labelled containers and hold for waste disposal - see section 13

7. HANDLING AND STORAGE

Safe Handling  
Avoid prolonged skin contact. Avoid contact with eyes.  
Ensure good general ventilation of area. Avoid creating spray. Do not breathe undiluted vapour
