MINIBLASTER[™]

The MiniBlaster[™], a smaller version of the BigBlaster[™], is a continuous feed confetti cannon and is capable of shooting confetti at the rate of one (1/2) pound per second up to 50 feet into the air!

VIEW EFFECT
VIEW DEMO

The MiniBlaster[™] is very versatile and can be used in large, medium or small venues. It's extremely easy to handle and allows easy adjustment to achieve a variety of different affects. No electrical power is required.

The MiniBlaster[™] sells for \$2,250.00. When you purchase a MiniBlaster[™] confetti cannon from Artistry In motion, Inc.[®] you receive a 25% discount on confetti orders up to \$1,000.00 (\$250.00 discount) when the confetti order is placed concurrently with your MiniBlaster[™] order. The daily rental fee for the MiniBlaster[™] is \$200.00.

Please contact an Artistry In Motion, Inc.[®] sales associate directly at 818-994-7388 to discuss rental and purchase options.

Shipping costs for both sales and rentals are additional.
