<p>Flood:</p>	<p>45 degrees (8ft beam at 10ft)</p>
	<p>One year parts and labor</p>

Warranty:	Lifetime on housing OSHA Compliant, CE Approved
	The RE-Fan II Turbo incorporates the same durable motor as the RE-Fan with adjustable speed control and one touch blast button. The RE-Fan II has a unique design allowing you to adjust the beam focus. Now you can go from a focused to flood beam with the touch of a dial. The fan balances beautifully on a versatile mounting yoke, it rests on any surface and attaches to baby or junior receivers.
